ALBA TABLES

An integrated and affordable solution wherever people meet.

contemporary
and flexible

From meeting rooms to cafeterias Alba brings excellent value and contemporary styling to a wide range of interior applications. Designed by Zooney Chu to complement today's casual business environments, Alba looks at ease anywhere people gather. The full range of Global

laminates and five different edge treatments make Alba easy to coordinate with all Global desking and modular furniture products. Tops are available in a wide variety of shapes and sizes and can be configured with Alba's three distinctive leg styles. It's your choice.

Cover: Alba Round Table shown in Tiger Maple (TMP) with Tungsten 2 (TU2) legs. Caprice seating is shown in Designtex Wire Ivory/Black (WI81).

Above: Alba Elliptical Table with Built-up Edge shown in Avant Honey (AWH) with Sculpted Base in Tungsten 2 (TU2) legs. Global Accord seating shown in Momentum Quantum Breeze (Y181).

ALBA TABLES™

An integrated and affordable solution wherever people meet.
